Prime Lambs – 1100

Some good Lambs on offer – the market eased due the schedules pulling back. One buyer missing on the lighter end Primes made those types of Lambs harder going.

Large	\$230 - \$270
Medium	\$200 - \$230
Small	\$180 - \$200

Prime Ewes - 230

A small yarding of Ewes in today, the market was similar to last week, with the heavy's pushing to \$262. Rams all sold between \$100 - \$165.

Large	\$230 - \$262
Medium	\$180 - \$225
Light	\$140 - \$175

Store Lambs - 1500

A medium sized yarding of Store Lambs was well received from an active buying bench from throughout Canterbury. Not really a difference of demand for the shorn Lambs compared to the woolly Lambs. The improved wool value will no doubt see more shorn Lambs appear from late march onwards.

Large	\$180 - \$190
Medium	\$150 - \$170
Small	\$120 - \$140

Prime & Store Cattle

Following recent schedule drops the Cattle market eased a bit, with good quality, well finished Prime Cattle making \$5kg.

A good line of Beef Calves from Parkin Farming made \$1050 - \$1260 & Friesian Bull Calves made \$970 - \$1010.
