Prime Lambs - 1150

Even though the schedules are easing, there was still a good tone in the Prime Lamb market. Interest in the bottom end by buyers looking for some forward Store Lambs. There was a good ding dong battle between the regular buyers, even though one wasn't there, who hasn't bought much lately.

Large	\$135 - \$149
Medium	\$120 - \$135
Small	\$100 - \$120

Prime Ewes - 900

Another decent yarding of Ewes. Some more interest in medium, lighter Ewes was helpful. Big heavy Ewes eased again in line with schedule drops.

Large	\$90 - \$110
Medium	\$65 - \$85
Small	\$45 - \$65

Store Lambs

Some very small lambs yarded today, but plenty of buyers lined the rails. Per Kilo prices eased slightly on last week, but were \$2.90 - \$3.00 for tidy terminals. Maternals were \$2.70 - \$2.80. Light Lambs varied, depending on quality.

Large	\$80 - \$96
Medium	\$60 - \$80
Small	\$43 - \$60

Prime & Store Cattle

A smaller yarding of Prime Cattle this week, with prices for Primes back slightly on last week's sale.

A small yarding of some good quality 15mth Heifers in the Stores, with the top Heifers making \$1270 per head.

Prime Steers	\$2.76 - \$2.88
Prime Heifers	\$2.76 - \$2.85
Prime Cows	\$1.86 - \$1.88
Prime Bulls	\$1.74 - \$2.76
